MEMORANDUM FOR : Director of Security

SUBJECT : Inspection of [ ] Training Mission

REFERENCE : Memorandum for DD/P from C/ISR  
dated 6 June 1955, same subject

25X1 1. Referenced memorandum is a report on an inspection  
of the [ ] Training Mission conducted by the Inspection and Review  
Staff in March of this year. As a result of this inspection, I&R  
25X1 concluded, among other things, that a satisfactory degree of security  
did not obtain [ ] and it was recommended "That the Office of  
Security be requested to conduct an over-all survey of the physical  
25X1 security of the Training Mission and the degree to which the present  
relationship of other Agency entities (viz., [ ]  
[ ] constitutes a potential physical security hazard, making  
recommendations to DD/P for action to correct existing deficiencies;  
and that, based on their findings, the Office of Security make appro-  
priate recommendations to insure that maximum practicable physical  
security measures are incorporated in the proposed [ ]  
program.

25X1 2. Because of the increasing importance of the activities  
[ ] to the Clandestine Services I would like to be assured that  
all physical security aspects [ ] have been thoroughly  
evaluated by competent authority with a view to correcting existing  
deficiencies and establishing maximum practicable security standards  
for the guidance of all concerned. Accordingly, it is requested that  
you initiate such action as may be necessary to implement the  
25X1 recommendation cited above. [ ] and in particular  
Branch [ ] will, of course, render any assistance you may require  
in accomplishing this objective.
